

Ms. Jenks' Weekly Letter

September 4th, 2018

Reminders

- ✓ Spelling test Friday
- ✓ Sell easy \$ tickets
- ✓ Bring working headphones

Math

This week we are learning about addition. We will use ten and twenty frames, number lines, and unifix cubes to help us learn. Feel free to work on learning sums of ten at home. Flash cards are a great tool to use at home! Some helpful apps are Make 10+, Ten Frame Fill, and Math Fight. If your child has mastered this skill, you may work on sums of twenty.

spelling

my	for
I	like
but	have
are	they

homework

- Please read, record, and take the quiz for three Raz-Kids stories by Friday.

language arts

Our class will not have a reading test this week. Instead we are focusing on DRA's and writing. Our friends will learn how to write a sentence with "SWAG" (starts with a capital letter, written neatly, a space between each word, and gets punctuation.) Reading homework begins this week. Please be sure read, record, and take the quiz for three Raz-Kids stories by Friday.
